

CURIO IS LAUNCHED!

Saskatchewan teachers and students can now access the CBC Radio-Canada's Curio through ROVER.

ROVER (Recommended Online Video Education Resources) is a video streaming service for Saskatchewan teachers and students in the PreK-12 education system. You can find ROVER at <https://rover.edonline.sk.ca>

Curio.ca offers:

- TV and radio documentaries, news stories, archival documents, and more—over 4,000 programs and resources available;
- New titles every week;
- Resources on all subjects, for all ages;
- Content in French and English;
- *News in Review* and *Actualité en revue* channels;
- Closed captioning for the hearing impaired available for all newly added programs, as well as a selection of existing programs.

Video resources from Curio that are new to ROVER and that strongly support Saskatchewan curricula will be evaluated by provincial educators. If recommended, they will be posted to the corresponding curriculum pages and the curriculum outcomes or contexts will be identified.

To access CURIO.ca, please visit the ROVER homepage and click on the Curio.ca tab.
